

Human Resource Management, Certificate

ind.tc/child-development-bs

Every Industry Needs HR Professionals

Indiana Tech's Human Resource Management Undergraduate Certificate program provides students with the knowledge and skills required to use a business mindset for helping people in the workplace. Topics include management principles and policies, safety programs in work settings, compensation systems, union-management relations and training and development practices.

Student Learning Outcomes

Upon completion of the Human Resource Management Undergraduate Certificate, you will be prepared to:

- Apply business-related legal and ethical principles to decision-making
- Facilitate staffing and training needs
- Understand the importance of work safety programs
- Conduct job analyses and salary surveys
- Facilitate learning and change to enhance organizational objectives

Career Benefits

Earning a certificate is an affordable, time-efficient way to boost your skills and your career prospects:

- Increase your hiring and earning potential
- Enhance your skills and expertise
- Close the gap on increased job security
- Expand your professional network
- Make significant progress towards a bachelor's degree
