## Project Management, MBA

[indianatech.edu/programs/project-management-mba](http://indianatech.edu/programs/project-management-mba)

### EARN YOUR MBA FROM INDIANA TECH IN 14 MONTHS OR LESS.

Project managers oversee all elements of a project, and their skills and experience are essential to a wide range of industries. These professionals lead cross-functional teams within organizations, ensuring that work flows steadily and that projects have clear starting points, deadlines and concrete goals.

An MBA concentrating in project management from Indiana Tech will not only help you become a versatile and effective business leader in this fast-growing field, it will prepare you well to sit for the Project Management Institute's® (PMI) Project Management Professional® (PMP) Certification exam. PMI is the world's leading association for project managers; the PMP is the most highly recognized industry certification project managers work to earn.

### Student Learning Outcomes

Upon completion of the Master of Business Administration – Project Management Concentration, you will be able to:

- Demonstrate advanced knowledge in the functions and operations of business
- Increase the efficiency and competitiveness of an organization
- Guide projects from planning to completion
- Perform and lead other key tasks such as the creation of budgets and timelines, the development of estimates and the management of outside resources
- Identify and evaluate project goals and deliverables
- Hire, train and oversee project management staff
- Communicate clearly and professionally with a high degree of interpersonal skill
- Utilize complex problem-solving skills to determine solutions

### Career/Salary Opportunities

There is great demand for skilled project managers in a wide range of industries. According to PMI surveys and research conducted by Glassdoor, one of the world's largest job sites, project management positions at a variety of levels include salaries that range from nearly \$60,000 to more than \$110,000 per year. Salaries may vary based on the region in which you live, prior experience you bring to the position and other factors.

## Why an Indiana Tech MBA is Better

At its foundation, Indiana Tech's MBA program is built on a core of seven courses that supplies you with fundamental business knowledge and an invaluable skill set that equips you for success in today's ever-changing business landscape. However, it's the first course you take—MBA 5050—Executive Leadership—that sets our MBA program apart from others in the region.

In MBA 5050, you will use the Leadership Circle Profile, an assessment tool utilized by top employers like Honda, FedEx and PriceWaterhouseCoopers that will reveal key opportunities for you to develop as a leader. Using that information, you will create a leadership development plan—your roadmap to transforming into the leader you want to become. After completion of MBA 5050, you will be paired with an executive coach who will help you make better sense of your self-assessments and give you sound advice as you put your plan into action.

As a result, you are able to apply a very personalized approach to your education—learning and growing as a leader while honing your knowledge and skills in your field of expertise. Get started today, and earn your MBA in 14 months or less at Indiana Tech.
